Ask Questions

The case for Young Social Entrepreneurs.

- Over a quarter of young people who are interested in setting up a business want to establish a social enterprise (27%)
- 37% of people on zero-hours contracts are aged 16-34.
- Around 1.1 million young people are paid less than £7 per hour. – UK Youth
- Politicians and business leaders say it's because of a lack of skills and 'work readiness'. – CBI report

Benefits of youth Social Entrepreneurship:

- SKILL UP
- GAIN EXPERIENCE
- PROGRESS
- BUILD CONFIDENCE
- SENSE OF COMMUNITY

Our Impact on Young Social Entrepreneurs:
